Our mission is to provide our clients with the highest level of customer and quality service in the modular furniture industry.

CAPABILITY

Established in 1999 by the owner who has thirty (30) years of experience in the contract furniture industry. The Company's goal has always been to provide high quality installation and facilities services in Systems Furniture for users in the Baltimore, Washington, Virginia metropolitan areas. In addition to those areas, the company is more than willing to provide services in other states. Growth of the Company propelled the emphasis on high standards of quality and technical expertise, which has earned the Company an invaluable reputation.
